23rd November 1916.

My dear Mr Lakshmanan,

When the Dewan inspected the Municipal and other works in your company on the 23rd October last I understand you pressed for immediate sanction for the acquisition and removal of certain buildings at an estimated cost of Rs. 75,000 and stated that you could meet this expenditure during the current year from savings on drainage works. There is some doubt as to which works were referred to by you. There are two proposals from you before Government the cost of each of which would be approximately Rs. 75,000. They are: (1) Removal of unsightly houses in the Fort at a cost of Rs. 75,000 forming the first stage in the complete programme referred to in your letter No. 88 dated 4/5th January 1916 and (2) the acquisition of five particular houses at a cost of Rs. 77,000 recommended in your letter No. 126 dated 11th March 1916. Will you kindly let me know, by return post if possible, which of the two items of works was urged by you as urgent during the Dewan's inspection?

D.O.No. III. 6

Mysore City Improvement Trust Board,
Chairman's Office,
Dated Mysore, the 25th November 1916.

Dear Mr.Rajagopalachar,

Your D.O.dated the 24th instant to hand.

The publication of notification No.148 dated the 31st July 1914 by the Trust Board in part 2 of the Mysore Gazette dated the 6th August 1914 made the owners of all the 82 properties therein mentioned urge that their respective properties might be acquired early in view to save their becoming liable to deterioration.

In the order of urgency however, I may state that 7 houses referred to in my letter No.126 dated the 11th March 1916 stand first to be acquired. Two of these 7 properties are those mentioned in para one of the said letter as belonging to Gopala Iyengar and Thirumala Char and are of the class of unsightly houses referred to by you. The other 5 houses are the ones, alluded to in para 4 of the above letter No.126 of 11th March 1916, to be acquired at a cost of Rs.77,089/- as mentioned in the D.O. under reply. The estimated cost of acquiring and clearing all the 7 properties is Rs.84,055/-.

With the commencement of proceedings for acquiring the said 7 properties, there is every probability of receiving importunate applications for a similar treatment of their individual properties, and so, a margin has to be provided for dealing with applications hereafter to be received.

If the Government will kindly sanction both the estimates amounting to Rs.1,84,489/- referred to in this office No 126 dated the 11th March 1916, restricting the expenditure against the said estimates to about Rs.1,00,000/-, I shall acquire only such of the properties as the acquisition whereof seem to be really urgent

Sir

I beg to thank you for your kind reply of the 26th ultimo, intimating to me the Communication received from the Revenue Secretary to Government, in re the acquisition of my house, near the Trinayaesvara Swamy Temple, in the Fort. It is very easy for him to say that the question is under consideration, but this sort of delay causes tremendous loss to the owners of houses kept for renting purposes The acquisition of properties in the Fort having been notified more than three years ago, it has been found ever since then, very difficult to get good and permanent tenants as they fear of being asked to vacate the house at any moment This is undoubtedly a serious loss to the Owners I do not know when this question will be settled finally and the house acquired once for all By this delay

delay but not only lose the rents but the houses are liable to be deteriorated

17

In connection with the acquisition of my house, you made me to attend your office and gave me the award, when I pressed for the payment of the amount you told me to wait till the Commencement of the official year Though I accordingly waited and though two months of the new official year are over, nothing is known in the matter.

You now say that the acquisition proceedings in respect of my house will be completed on receipt of orders from Government I think the proceedings in question have already been completed and the only thing left is the payment of the award announced by you before me, and as you have given the award I beg to request you for the payment of the amount In case of any further delay, please favour me with an endorsement, giving the amount already awarded as it may be available for reference in case you are transferred from here on promotion.
